Enclosure No. Memorandum &c.,

Sir,

I have the honor to state that the Minor Municipal Council, Mayakonda, have proposed to levy octroi duty on piece goods imported into their Municipality. The draft bye-laws prepared therefor under section 48(4) of the Municipal Regulation are reported to have been duly published in the Municipality on 20-11-22 inviting objections from the public in the matter.

A single petition purporting to be from the inhabitants of the Municipality protesting against the levy of octroi duty on the ground that it would affect the trade and cause loss to themselves which was received in this office on 11-12-22 was referred to the Municipal Council for consideration. It is reported by the President that the petition was duly considered by the Municipal Council in their meeting held on 14-1-23 and it was finally resolved that the Municipali

cannot

cannot forego its income for the reasons alleged in the petition and that the draft Byelaws may be submitted for sanction.

Under the circumstances I request that you will kindly move the Government to accord to the said draft Byelaws enclosed herewith.

The vernacular file ending with report No.22 dated 28-4-1925 from the President of the Municipality with its enclosures is herewith forwarded for kind reference and return when done with.

I have the honor to be,

S I R,

Your most obedient servant,

Deputy Commissioner,
Chitaldrug District.

The Schedule of taxes given on page 2 of the byelaws (Copy A) is not complete as certain articles on which taxation is leviable have not been specified. Perhaps it is the intention of the Municipality to levy octroi duty on such articles. Under exemptions various articles imported through post offices should be added as usual in other Municipalities. In the byelaws framed there are no provisions for refunds of taxes levied and paid by mistake. Penalty clauses may with advantage be added as in other Municipalities. If approved the enclosures may be returned with the above observations.

The Regulation does not require the rates of taxes to be incorporated in the byelaws. Govt. have already passed the rates in the month of June 1920 but up draft printing out the details for approval.
